## #6 – Financial Information

Zion-Redeemer Parish ... where do we stand?

The CAT asked one person from each household to confidentially reveal annual household income and annual giving to Zion and/or Redeemer Lutheran Churches. Here is where we stand:

Total Parish Income: \$127,895  
Contribution per household: \$853 (\$16.40 per week)  
Average household income: \$61,373  
Median household income in county: \$60,000  
Average percent of income given: \$1.39%  
Average percent of income given in ELCA congregations: 2.0-2.5%

According to a **July 1990 report** from the Office for Research, Planning and Evaluation, Evangelical Lutheran Church in America, congregation households pledged a median of \$960 per year (\$18.46 per week). However, the overall median annual giving was \$780 per year (\$15 week). The median proportion of income given was 2.6 percent.

### Takeaway:

How can we be Jesus' love in action by creating a culture of generosity and compassion?
